ABOUT US

Garden Links Company (GLC) is a leading Saudi provider of comprehensive outdoor and urban solutions, committed to transforming open spaces into safe, functional, and visually stunning environments. We proudly serve **municipalities, developers, schools, parks, residential compounds, and private clients** across the Kingdom of Saudi Arabia.

Our expertise covers a wide range of specialized services, including **indoor and outdoor playgrounds, outdoor gym and sports facilities, landscaping and garden beautification, lighting poles, urban furniture, professional flooring, road safety systems, traffic signage, event installations, and construction works.** Every project we deliver is designed with precision, built to last, and tailored to meet the highest safety and quality standards.

We are proud to contribute to the development goals of **Saudi Vision 2030**, creating outdoor environments that improve quality of life, strengthen community bonds, and reflect the beauty of our cities and towns.

With **Garden Links Company**, you're not just investing in a project — you're investing in a long-lasting space where people can **play, connect, and thrive.**

At **Garden Links**, we believe that outdoor spaces should inspire communities, encourage active lifestyles, and enhance the beauty of their surroundings. Whether we are creating a vibrant playground for children, a landscaped garden for a private villa, or a fully equipped sports facility for public use, our goal is to provide turnkey solutions — **from concept and design to installation and maintenance.**

Our work is driven by four core values:

Quality – Using premium materials and advanced construction methods.

Safety – Designing spaces that are secure for all age groups.

Innovation – Offering creative solutions tailored to client needs.

Sustainability – Implementing eco-friendly and long-lasting designs.

How We Make the Difference

At **Garden Links**, we follow a clear 5-step process: starting with a tailored quotation, followed by a site visit to assess needs. We then provide **2D & 3D** designs for approval, use top-quality materials in production, and ensure safe, professional delivery & installation. This is how we guarantee lasting quality and value.

1

Inquiry & Quotation

Contact us with your requirements and receive a tailored quotation.

2

Site Visit & Assessment

Our team visits your location to take measurements and understand your needs.

3

2D & 3D Design Plans

We prepare detailed 2D layouts and 3D visualizations for approval.

4

Production & Preparation

High-quality materials are manufactured and prepared according to the approved design.

5

Delivery & Installation

We deliver and professionally install your project, ensuring safety and quality standards.

Our Mission & Vision

Mission

To design and deliver high-quality outdoor solutions that promote play, wellness, safety, and community engagement, while ensuring durability and sustainability in every project.

Vision

To be recognized as Saudi Arabia's leading company in outdoor environments, creating iconic projects that combine **innovation, culture, and functionality**.

Innovation & Creativity

We bring innovation to every service we offer — from playground equipment and outdoor gyms to wooden chairs, sculptures, landscaping, flooring, and lighting.

Community & Wellness

Every project is designed to inspire play, promote wellness, and enhance community engagement across Saudi Arabia.

Quality & Durability

All products are built with premium, weather-resistant materials and certified to meet international safety standards.

Sustainability & Responsibility

We commit to eco-friendly designs, energy-efficient solutions, and sustainable practices that align with Saudi Vision 2030.

Why Choose GLC?

Proven Expertise: Trusted by municipalities, schools, and private clients.

Premium Materials: All products meet international safety standards and are built for Saudi Arabia's climate.

Custom Designs: Tailored solutions for cultural, modern, and creative needs.

Nationwide Service: Supply, delivery, and installation across all cities in Saudi Arabia.

Innovation & Creativity: Unique outdoor sculptures and play solutions that stand out as landmarks.

Strong Warranty & Support: Long-term warranties and after-sales maintenance.

Our Services & Expertise

Garden Links Company delivers complete outdoor solutions across Saudi Arabia. Our services cover landscaping and garden enhancements, indoor & outdoor playgrounds, and outdoor fitness equipment designed for safe and engaging communities. We specialize in sports facilities and professional flooring, and enhance spaces with urban furniture, decorative sculptures, and lighting systems. Our expertise also includes office & school furniture supply, event equipment installations, traffic & safety systems, tools, and maintenance services — providing end-to-end solutions from design to aftercare.

These outdoor playsets are designed to provide safe, fun, and engaging environments for children in schools, parks, and community areas. Featuring raised platforms, slides, swings, and climbing elements, they promote active play, coordination, and social interaction. Built with galvanized steel (76MM or 89MM) and durable LLDPE plastic, they combine strength, safety, and lasting performance. With multiple size options, they are suitable for both compact spaces and larger recreational areas.

ألعاب داخلية وخارجية – مواشير ٢.٥ بوصة

These **Large Outdoor Playset** features raised platforms connected to a variety of slides — straight, tube, and round — along with swings and playful decorative elements like colorful flowers and birds. Designed to encourage climbing, sliding, and active play, it promotes fitness, coordination, and social interaction in a safe outdoor setting. Built with **114MM galvanized steel** and durable **LLDPE plastic**, it guarantees strength, safety, and long-term performance.

LARGE PLAYSET
114MM

الألعاب الخارجية المجموعة الكبيرة مواشير اربعة بوصة

The Swings & Slide Series combines classic play features in a modern, safe, and colorful design. Each set is built to encourage fun, balance, and coordination, offering children the joy of sliding, swinging, and climbing in one compact structure. These playsets are made with galvanized steel frames and LLDPE plastic, ensuring durability and safety in all outdoor conditions. With multiple sizes and styles available, the series delivers reliable performance, engaging play, and long-lasting enjoyment for kids of all ages.

SWINGS & SLIDE PLAYSET

مجموعة المراجيح والزحاليق

Monkey Bars and **Seesaws** are timeless playground essentials that encourage strength, balance, coordination, and social play. While monkey bars challenge children to climb and swing with confidence, seesaws bring shared fun, teamwork, and laughter. Made with galvanized steel frames and durable LLDPE components, both are built for safety, comfort, and long-lasting outdoor use — making them ideal for schools, parks, and community playgrounds.

MONKEY BARS & SEESAW

ROUNDERS & SPRING RIDERS

The Rounders & Spring Riders series brings classic playground fun to life with safe, durable, and colorful designs. Rounders offer children the joy of spinning together, encouraging balance, coordination, and teamwork in a fun group activity. Spring Riders, available in playful animal and vehicle shapes, provide exciting solo adventures that develop imagination, balance, and motor skills. Both are manufactured using galvanized steel frames and LLDPE plastic, ensuring long-lasting performance and safety in outdoor conditions.

الدوّارات والهزّازات النابضية

FITNESS GYM EQUIPMENT

Our **Fitness Gym Equipment** range is designed to promote health, strength, and community wellness in outdoor environments. Each unit is crafted with galvanized steel and durable finishes, ensuring safety, stability, and long-term performance in all weather conditions. From cardio trainers, sit-up benches, and elliptical machines to strength-focused units like chest presses, leg presses, and rowing machines, the collection supports a full-body workout for people of all ages. Installed in parks, schools, residential compounds, and public fitness zones, these machines encourage active lifestyles, social interaction, and healthier communities.

معدات الصالات الرياضية الخارجية

Our collection of landscape sculptures and artificial trees brings elegance, creativity, and beauty to any outdoor or indoor environment. From iconic stainless steel sculptures of animals, art pieces, and decorative monuments to lifelike artificial trees such as palms, bonsai, and cherry blossoms, **each element is designed to transform spaces in to vibrant and memorable landmarks.**

LANDSCAPE SCULPTURES & ARTIFICIAL TREES

These features not only enhance aesthetics but also create a sense of identity, making parks, plazas, malls, hotels, and public areas more welcoming. With durable materials and realistic designs, our sculptures and artificial trees offer a low-maintenance yet stunning solution for long-lasting visual impact.

المجسمات الجمالية والأشجار الصناعية

We provide a complete range of landscape lighting solutions that illuminate public spaces, parks, and walkways with creative and durable designs, enhancing both beauty and security at night. Our sports equipment includes professional-grade turfing, stadium seating, barriers, and accessories, ensuring well-equipped and comfortable facilities for athletes and spectators alike.

LANDSCAPE LIGHTING, SPORTS EQUIPMENT & TRAFFIC SAFETY

For safer environments, our traffic safety systems—such as cones, barriers, signs board—are designed to improve organization, guidance, and protection in public and private areas.

إضاءة المناظر الطبيعية، المعدات الرياضية، وأنظمة السلامة المرورية

الكراسي والمقاعد الخارجية

Our outdoor benches and chairs are designed to blend comfort, durability, and style, making them perfect for parks, gardens, public spaces, and private projects. Crafted from high-quality wood, galvanized steel, and powder-coated metals, these benches withstand weather conditions while maintaining their elegant appearance. **With modern, classic, and customizable designs, they provide functional seating solutions that enhance outdoor environments.**

OUTDOOR BENCHES & CHAIRS

سلات النفايات، المزارع، والأرضيات والتكسية الخشبية

Our premium range includes durable trash bins in wood, steel, and eco-friendly designs, perfect for maintaining cleanliness in public and private spaces. Complementing them are stylish planters that add greenery and elegance to any environment, indoors or outdoors. For flooring and walls, our wooden decking, tiles, and cladding provide natural beauty, strength, and weather resistance — ideal for villas, gardens, terraces, and commercial projects. **Together, these solutions combine functionality with aesthetic appeal to elevate modern outdoor and indoor spaces.**

TRASH BINS, PLANTERS & WOODEN FLOORING/CLADDING

الكراسي والطاولات البلاستيكية، الزحاليق، البيوت البلاستيكية، والهزازات

Our colorful plastic collection is designed to bring fun, comfort, and safety to children's spaces. From sturdy plastic chairs and tables for classrooms to joyful swings, slides, and playhouses, every item is crafted with child-friendly materials that ensure durability and easy maintenance. The range also includes engaging plastic riders and activity sets that inspire active play, creativity, and social interaction — perfect for schools, nurseries, playgrounds, and indoor activity areas

PLASTIC CHAIRS & TABLES, SLIDES, PLAYHOUSES & RIDERS

الملاعب الداخلية اللينة وقطع التركيب

Our indoor soft playgrounds are designed for safe, fun-filled adventures, featuring colorful play zones, slides, tunnels, and ball pits that spark joy and imagination. Alongside, our EVA brick splicing sets encourage creativity and learning, allowing children to build and explore with lightweight, safe, and durable blocks — perfect for schools, nurseries, and play centers.

INDOOR SOFT PLAYGROUND & EVA BRICK SPLICING

Our Success Partners

At **Garden Links**, we take pride in collaborating with some of the Kingdom's most prestigious organizations and institutions. Our partnerships reflect trust, quality, and shared values in building vibrant communities and sustainable environments.

Each collaboration represents a milestone in our journey, proving our **commitment to excellence, innovation, and customer satisfaction**. These partnerships are not just business relations — they are long-term commitments that drive us to continuously deliver world-class solutions in playgrounds, urban furniture, landscaping, and outdoor developments across Saudi Arabia.
